AWA Receives Scholarship Grant from ASPCA
Scholarship to Attend the 2014 Shelter Medicine Conference

May 5, 2014

Voorhees, NJ: Animal Welfare Association (AWA) today announced that it has been granted a Scholarship to attend the 2014 Shelter Medicine Conference.

“The Shelter Medicine Conference is an important way for AWA to keep up to date with current trends and procedures in animal shelter medical care”, said Maya Richmond, Executive Director. “AWA’s veterinary services help thousands of pets each year, through the shelter and public Pet Clinic, so being able to connect with other veterinarians and animal welfare professionals and get new research and information at the conference is critical.”

Maddie’s® Shelter Medicine Conference will be held in May 2014 in Ithaca, NY at Cornell University’s College of Veterinary Medicine and feature three days of continuing education workshops and presentations designed to provide shelter professionals with crucial knowledge across a diverse array of categories.

About AWA

The Animal Welfare Association, a private, non-profit, 501(c) 3 animal welfare organization, serves the people and animals of southern New Jersey. AWA is dedicated to eliminating animal suffering, promoting the importance of the human-animal bond, and improving the role of animals in the well-being of people. Through a variety of programs including adoptions, veterinary services, pet therapy, and humane education, in 2013 over 23,000 pets were served through AWA programming. AWA is South Jersey’s leader in progressive companion animal care.
